Who We Are...

Formed in 2008, MEF was founded to promote excellence in education for residents of all ages within the Montville community. Through the Grant Program, made possible by the generosity of our supporters, MEF enhances the educational experience for citizens of all ages in Montville. MEF provides financial support for projects, programs and activities that promote educational opportunities for town residents both in and out of classrooms, as learning is viewed as a lifelong process. To date we have awarded over \$110,000 to grant recipients in Montville, bringing new and innovative programming to its residents. But we need to do more and we need your help!

What You Can Do...
